

REMARKS

In response to the Notice of Non-Compliant Amendment dated May 25, 2004, Applicant has corrected the page and line references as suggested by the Examiner. It is to be noted, however, that the site references utilized in the prior Amendment were the actual sites on the copy of the application received by the below-signed attorney from Applicants. Apparently, the pagination of the application may have changed upon utilization of alternate software.

With the changes made to the specification, it is believed that the application is in condition for allowance and issuance of a Notice of Allowance is requested.

In the event the Examiner considers personal contact advantageous to the disposition of this case, he is hereby authorized to contact Richard M. Klein, (216) 861-5582, Cleveland, Ohio.

It is believed that no fees are due in conjunction with this response. If, however, it is determined that fees are due, authorization is hereby given for deduction of those fees from Deposit Account No. 24-0037.

Respectfully submitted,
FAY, SHARPE, FAGAN,
MINNICH & McKEE, LLP
